

Volunteering with the Police

Could **you** make a difference?

Would you like to become a volunteer for the Metropolitan Police Service?

Lambeth Police are looking for 2 volunteers to enhance the services provided to members of the LGBT community within Borough. More generally we are looking to add to the current diverse team of more than 20 trained volunteers. Volunteers add great value to the service the Metropolitan Police offer in areas such as:

- The Front Counter Customer Service
- Supporting Safer Neighborhood Policing Teams
- Providing behind the scenes administrative assistance and many more

In order to join the exciting Met Volunteer Programme at Lambeth you must be aged 18 or over, be able to donate a minimum of three hours a month and have at least three year's UK residency. Training will be given for any role you undertake.

If you are interested in becoming a volunteer or simply want to find out more call Duane Baird on 020 8649 2040 email at duane.baird@met.police.uk or download an application at <http://www.met.police.uk/recruitment/>
